## Wedding Ceremony and Reception Planner

We want to make this the wedding you have dreamed of! Please take some time to fill out this wedding reception planner. This will give us an idea for what you want at your reception. The flow of the planner does not designate the order events will happen nor does it dictate that you need to include everything in your wedding. This merely serves as a starting point to find out what you wish to have at your wedding. **Use the "Tab" button** to jump from field to field. If you have any questions or need ideas, please feel free to ask!
